Mrs Frances Stevens Hall

Madame

I am taking a great liberty in writing this letter to you, but I hope you will please excuse me, as I am unknown to you.

I have been incarcerated here for the last 5 months waiting to go on trial for a charge of which I am really innocent - and I am sorry to say I find myself friendless and without a cent.

All the money I had has gone for Lawyer fees, etc. So I am prompted to write and ask if you will kindly help me as I am in great need of a dollar to buy postage and other small items.

If you are kind enough to do this please mail it to me in a letter and I shall thank God.

I am ashamed to write and ask in this
